Sir,

Sub: Fisheries - Higher Elementary Schools -
Hejmadikodi - South Kanara District - appointment
of an additional Secondary Grade Teacher -
proposals.

- - - -

There are 8 classes with 11 sections in the Fisheries
x Higher Elementary School, Hejmadikodi in South Kanara District.
At present there are 12 teachers in the school viz. 3 Secondary
grade and 9 Higher Elementary Grade teachers. The 3 secondary
grade teachers are handling the 3 Higher Elementary Standards viz.
standards VI, VII and VIII and the 8 Higher Elementary Grade teach-
ers are incharge of 8 section of the Lower Elementary Standards
from standards I to V with their sub-divisions. The remaining 1
Higher Elementary Grade teacher is employed as a provocational
teacher. The present strength and attendance of each of the
standards are furnished below:-

<u>Standard.</u>	<u>Strength.</u>	<u>Attendance</u>
I.	44	32
II A	26.	20
II B	25.	19
III A	28	23
III B	27	23
IV A	29	22
IV B	26	25
V	52	43
VI	38	33
VII	31	25
VIII	19	17
Total ...	345	282

From the above figures of the strength and average
attendance, it can be seen that the staff employed at present is
adequate except for Standard V in which there is a total strength
of 52 pupils. But as the average attendance is only 43- just
3 more than what a teacher is expected to handle, proposals for
 bifurcating the section are kept in obedience. The Deputy Inspector
of Schools, when he visited the school on 13-4-51 remarked as
follows.

A "Where there are 10 sections (are) more in a school
to give relief to the Head Master and additional teacher is being
appointed in other schools. The Head Master says that here too
one additional hand may be sanctioned. It is suggested that since
this school is in compulsory education area, it is better to have
an additional hand posted to this school. A separate report may
be sent to the management." This fact is evident from the pro-
ceedings No.R.C.576 B/46 dated 7-4-46 of the D.P.I., Madras (Copy
enlosed) and letter No.L.Dis.13925 E2/51 dated 11-10-51 of the
D.E.O.South Kanara (Copy enclosed)

(p.t.o)

In addition to this, the Head Master who is handling one standard has to attend to very many items of work, such as attending to the school correspondence, supervising the work of other assistant teachers, attending teachers meeting and compulsory education meetings.

R | In the circumstances explained above, I request that an additional Secondary Grade teacher on Rs.45-3-60-2-90 p.m. may be sanctioned to the fisheries Higher Elementary School at Hejmadikodi with effect from 1-4-52. The financial implications of the proposals are furnished below.

I. Recurring

for Director of Fisheries.

Copy of proceedings R.C.No.576-B/46 dated 7-4-46 of the Director of Public Instruction, Madras.

Sub: Elementary Education - Local Bodies - Large
Elementary Schools - Appointment of an extra
teacher - instructions issued.

The Director considers that there is a need for the appointment of an extra teacher in Elementary Schools under the management of the local bodies, having ten sections or more in order to afford relief to the Headmaster or the Headmistress as the case may be ~~xxx~~ who has to attend to class work during almost all the periods in a week in addition to clerical and supervision work. Further when a teacher is absent on casual leave, it is usually found difficult to arrange for the ~~xxx~~ work in his class without having an extra teacher on the staff.

The undermentioned officers are therefore informed that it is permissible to appoint an extra teacher, preferably a secondary grade one in elementary schools having sections 10 and above.

Copy of letter L.Dis.13925 E2051 dated 11-10-51 from the District Educational officer, to the Assistant Director of Fisheries, Mangalore.

Sub: Elementary Education - Fisheries Schools - employment
of an additional teacher when there are 10 or more
sections.

Ref: Your Ref.No.5717 C/51 dated 27-9-51.

The appointment of an additional teacher when there are 10 or more sections in a school is considered desirable.
